

Faculty and Students:

With the new card reader system in place you are now able to check your balances online.

To start the process just go to <https://trine.campuscardcenter.com>

Once there, follow the quick and easy setup steps.

Step 1: Go to Register Now.

Step 2: Follow the rest of the setup steps by creating a username and password.

Step 3: Once you're set up, you can go back in and log in.

On the Account Home page you will see your plan(s) and your Available Balance for that plan.

-Please note, at this time you are **not** able to add value to your fast plan online. You will be able to add at any Point of Sale on campus. Please give until the next business day for the money to be finalized on your card.

Thank You:

Bon Appetit

If you have any issues please send an email to benjamin.knowlton@cafebonappetit.com
